VISIONS

We believe William Blake & Mother Teresa gifted us this gem of a verse to open our eyes, and see. A verse from the beginning of the Universe, a verse that is now doing the rounds on earth, at a time When humankind's greatest challenge is:

MISSION

To lead the way towards the top most renowned Nursing teaching Institute in Bihar by fostering global standards in nursing education. With other related qualitative higher health Institute.

To foster the Synergizing & Knowledge, Skill & Technology in order to transform the advancement of patient centered and Health care by providing differentiated Health care Professionals and Ethical Nursing.

To raise & nurture our students through innovative solution based learning, and inter- professional collaboration. To endorse Guiding Principles for personal integrity & higher educational professionalism.

Messages of Chairman

It is a special pleasure for me to introduce Lord Buddha Koshi Siksha Prathisthan. Under one campus following Institutes are Lord Buddha Koshi Medical College & Hospital (with U.G & P.G Courses), Pharmacy institute (Diploma & Degree Courses) & Nursing institute with B.SC Nursing & General Nursing Midwifery (G.N.M) Courses are running. This Area was suffering from Koshi river from long time & people suffered from flood, diseases & other devastations; a lot. Hence education of different arena including health services and education in this area affected. Hence these leads to opening up institution at one place Baijnathpur, Saharsa of different streams In 2010 Lord Buddha Koshi Medical College & Hospital, Saharsa, UG Courses was started. Further pharmacy institute for degree and diploma course in the year-2020-21.

Again from session-2024-25 B.SC Nursing & G.N.M Courses are going to be started. Educational preparation of nurses who contribute Education is the key of all the progress & achievement. Educational preparation of nurses, who contribute primarily towards the health of the community, needs constant attention keeping in mind the changing health needs of the society. Profession of nurse requires maintenance of clinical proficiency, critical thinking, skill, teaching & promoting uplift of patients in all clinical settings. Besides growing emphasis on public health care delivery system demographic challenges (such as increase in the number of old population), Urbanization, (stress & strains), Environmental changes, Life style changes & finally the expansion of employment opportunities, both in India & abroad are some of the factors responsible for increasing gap in demand & supply of trained nurses in the light of the changing educational system of the country. The B.SC Nursing & GNM courses have been started from session-2024-25 with permission of health department, Bihar Nursing Registration Council and B.U.H.S, Patna. These programmers are geared to the health needs of the country, the community & the individual & it will serve as a basic for advanced study & specialization in nursing; it will assist nurses in their personal & professional development so that they may make their maximum contribution to the society as individual citizens & nurses.
